

Baby Dumbo was born in the spring, and his mother was proud—but oh, my, what big, big ears he had!

大寶是在春天誕生的。象媽媽很自豪——噢！瞧！牠有一對很大很大的耳朵呢！

His ears were so big that he stumbled over them. Poor Dumbo.

大寶的耳朵太大了，令牠常常被絆倒。可憐的大寶！

When the circus parade marched through town, the people laughed at Dumbo. "He can't be an elephant; he must be a clown!" they said.

每當馬戲班在鎮上巡遊，人們都會嘲笑大寶。

「看！牠根本不是一頭大象，牠是一個小丑！」

The ringmaster put a funny costume on Dumbo and made him a clown. Dumbo tried to do tricks, but he tripped over his ears and fell down.

馬戲班的領班將一件滑稽戲服往大寶身上套，要大寶做把戲，可是大寶被牠的大耳朵絆倒，跌在地上。
