track 3

The modern<sup>1</sup> Santa sat<sup>2</sup> at his computer and designed the toys automatically<sup>3</sup> and they came out of a machine! The Christmas elves snored<sup>4</sup> all day because they had nothing to do. Santa's beard<sup>5</sup> was very, very long because he was too bored<sup>6</sup> to cut it. Even Rudolf, Santa's famous red nosed reindeer<sup>7</sup> was out of a job. A robot reindeer helped a robot Santa deliver<sup>8</sup> the toys to the children now!
