

Marlin was a happy clownfish who had everything he wanted—a wife, a family waiting to hatch, and a lovely anemone home.

Then one day a big barracuda attacked his family, and Marlin almost lost everything. He was heartbroken. All that remained was one little egg that would soon hatch into . . . Nemo!

馬倫是一條快樂的小丑魚，他擁有一切他所渴求的——妻子、一群待孵化的兒女，以及一個位於海葵的溫馨的家。

有一天，一條大梭魚襲擊他的家人，

使馬倫幾乎失去一切。他心碎了。

剩下的只有一隻小魚卵，它

快將孵化成……MO仔！

5

A diver swam up behind Nemo and caught him. “Daddy, help!” cried Nemo desperately.

There was nothing Marlin wouldn’t do for his son, so he bravely chased after the divers, but before he could reach the boat, it sped away into the distance. It was going so fast that one of the divers’ masks fell overboard.

一名潛水員游到MO仔後面，把他捉住了。「老爸，救命呀！」MO仔拼命的叫喊。

馬倫會為兒子不惜一切，於是他勇敢的

追口潛水員，但那隻小船在他能趕上之

前已急駛到遠處了。小船行駛得很

快，使一個潛水鏡掉進海裡。
