

人物性格：活潑、魯莽、渴求新事物

好朋友：小胖、艾力王子

The next thing I remember is that Flounder and Sebastian swam me to shore. I sat in the surf and stared at my new legs where my tail used to be. They were amazing!

When I stood up, I felt so heavy. Walking was very different from swimming or floating in the water.

I was really a human!

接著我所記得的就是小胖和沙巴信帶我游上岸去。我坐在拍岸的浪花上，瞪眼看著從前的尾巴現已變成一雙新腿。真是難以置信！

我站起來時感到身體很重，走路跟游泳或是在水上浮游很不同。我真的變成人類了！

Chapter 6

Everyone disapproved of what I had done. Only Scuttle the seagull, who had a lot of contact with humans, was excited for me.

'Ursula is bad news!' Sebastian scolded. But it was too late for warnings. My friends had to help me find the prince. If not, I'd become Ursula's slave!

所有人都反對我這樣做，只有經常跟人類接觸的海鷗史卡圖替我感到興奮。「阿蘇拉就等於壞消息！」沙巴信責罵我說。可是那時告誡我已經太遲了，我的朋友都要幫我尋找王子，否則我便會變成阿蘇拉的奴隸！

Scuttle snapped the necklace holding the shell. It fell to the ground and my voice flowed back to me!

I took a deep breath. Then I yelled, 'Eric!' as loudly as I could.

Eric turned around. 'I know that voice,' he said quietly. Then he moved in closer to me. 'you're the one ... it was you all the time!'

史卡圖把掛著那貝殼的項鍊折斷，項鍊因而落在地上，我的聲音返回我身上了！

我深呼吸，然後費盡氣力大聲高呼：「艾力王子！」

艾力王子轉身輕聲說道：「我聽過那聲音。」接著，他向我走近說：「你就是她……一直以來都是你！」
